PRT HAPPENINGS

Ground Breaking!

We celebrated the groundbreaking of the new Indoor Community Recreation Center. We are excited to see this vision finally come to life. Due to the weather we were unable to have a traditional groundbreaking, though there will be one held sometime in the near future!

Welcome Our New Intern

Tyler Cockrell:

I recently graduated from Georgia Southern University with a degree in Outdoor Recreation after completing an internship at Falling Creek Camp in Zirconia, NC. I look forward to learning from the professionals in the Parks, Recreation, and Tourism department while serving the City of Hardeeville.
